

Download any mix as an **MP3 File** NOW!!!

Click on the image and description of any mix in the Music Store and a detailed page will open up with a button that allows you to add the mix to your shopping crate.

A PayPal window will open up in a separate window. You can return to the site and continue to add more mixes. These mixes will automatically be added to your crate. When you're finished you can complete your purchase with a PayPal account or if you'd like to pay by credit or debit card click on the "Don't Have a PayPal Account?" link and you will be directed to input your card. You will

then automatically be redirected to a download page that provides instant access to your purchases. You will also be sent an e-mail with a link to your mixes as well. Once you click the link, select "Save" or "Open" to access the file. Please, be sure to download your mixes right away before the code expires.
